

2026-2027 Annual Giving
Friends of the Youth Symphony of Southern Oregon

Please take a moment to renew or increase your annual gift, make an additional contribution to honor a musician, friend or colleague, or make your first gift. The beginning of a *Concert Season* is the perfect time to show your support for the Youth Symphony of Southern Oregon (YSSO) and its work with and on behalf of young people, families, and communities.

Each year contributions from individuals, families, and family funds generate 30 percent or more of annual revenue. Donors are listed in *Concert Series* programs and letters of acknowledgement are provided. *Friends of the YSSO* also receive the newsletter via e-mail. The YSSO is a nonprofit 501(c)(3) organization. Contributions may be tax-deductible. Please consult a professional tax advisor for details.

All qualified musicians may participate in an ensemble if selected regardless of financial circumstances. Contributions along with the financial support of foundations, funds, and agencies help underwrite tuition and/or lesson assistance for current YSSO musicians, as well as concert venue and rehearsal facility fees and insurance, the rental or purchase of music, fees for artistic or administrative personnel, and other operating expenses.

A gift in any amount makes a difference. Thank you!
